

\$ 408,990

A 3D architectural rendering of a two-story brick house. The house features a gabled roof with dark brown shingles and decorative wooden brackets under the eaves. The exterior is made of reddish-brown bricks. On the left, there is a large two-car garage with a light-colored, paneled door. To the right of the garage is a small arched window. The main entrance is on the right side, featuring a dark wooden door and a large, multi-paned window above it. The house is surrounded by a green lawn, trees, and shrubs, with a clear blue sky in the background.

Floor plan of the first floor of the building. The plan shows a large hall (R001) on the left, a staircase (R002) in the center, a corridor (R003) on the right, and a bathroom (R004) at the bottom right. The dimensions for each room are provided in meters.

- R001: 17.2 x 16.4
- R002: 1.2 x 1.2
- R003: 1.2 x 1.2
- R004: 1.2 x 1.2
